RISK MANAGEMENT POLICY INFORMATION

Each class in the Preschool, Children, and Youth areas of our church is covered under the terms of our Risk Management policy. This is for the protection of each child and family attending our church, and also for each teacher and helper working with our children.

Briefly stated, our policy only allows for qualified workers, and a minimum of two workers in attendance with any group of children through 6th grade.

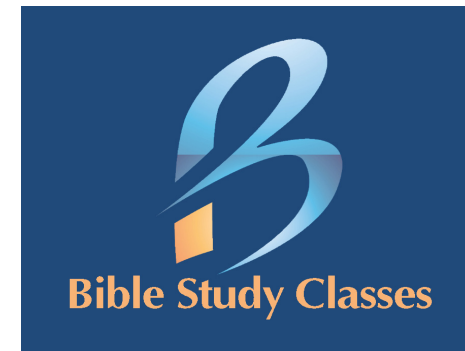

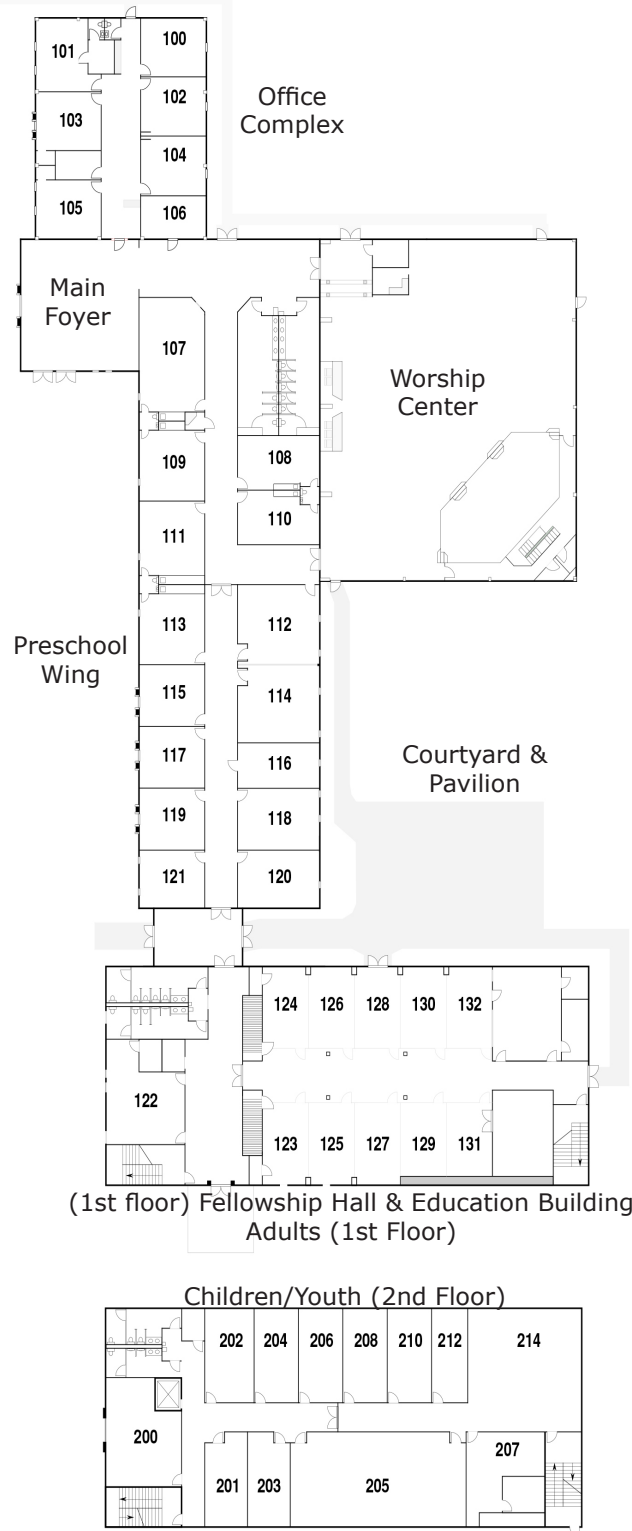

For more information, please contact Tracy DeRossett (preschool, children), or John Shaw (students).

OUR VISION

*To boldly follow Christ
in transforming the world
one person at a time.*
